Dear Friends,

Mark your calendar for our sixth annual "Support Our Autism Rainbow Gala" to be held at Villa Lombardi's, on Friday November 19, 2010! This evening is going to be a spectacular affair with dinner, dancing, and amazing raffle prizes-- ranging from wonderful electronics to fabulous trips.

SOAR's mission is to provide funding for programs in the critical area of social skills, which are not directly addressed in the academic setting. With this in mind, we launched a Social Development Program for elementary aged children with autism in our community. Each child is paired up with a 'typical' peer, in a customized program which helps them learn to model and interact appropriately with other children their age. The format is structured play, and has proven to be a wonderful experience for both children, who, through play learn how to communicate with one another in the process.

We are so thrilled to be offering this best-practice program. We are seeing first-hand our child's excitement as they experience the joy of new found friends. We have, in the past year, expanded our programs to the Middle School level, but these programs are expensive and we need your help to continue our efforts....

... Touch a life— become part of our rainbow! Please support us in making the SOAR Foundation a success, but more importantly, so that we can help our children soar to new heights! Any contribution of services, merchandise or monetary donations would be greatly appreciated. We are a 501C3 not-for-profit foundation. Contributions are tax deductible to the extent allowed by law.

We can't do this without you! Please help our rainbow wishes come true! If you have Any questions, please feel free to contact Caryn Rosenberg, President of SOAR, at (631)219-3891, or email her at Caryn@4SOAR.org.

Sincerely,

Every child with autism deserves the chance to SOAR
